'Favorites' Survey

What was everybody at SHS doing besides going to football games and boondockers? The realization that life does not revolve completely around school kept students busy in many directions.

The start of weekend **Toga Parties** was the crazy movie **Animal House**. Students' favorite movie stars were **Burt Reynolds** of **Smokey and the Bandit**, and **Diane Keaton** of **Annie Hall** fame.

It wasn't unusual to see SHS students waiting in lines over night to buy tickets for the many great concerts that hit Arizona. Between Tucson and Tempe, fans paid dearly to see **Billy Joel**, **Bob Dylan**, **Chuck Mangione**, **Jerry Riopelle** and the **Rolling Stones**. After fifteen years the Stones were still going strong, while Billy Joel was enjoying a new popularity.

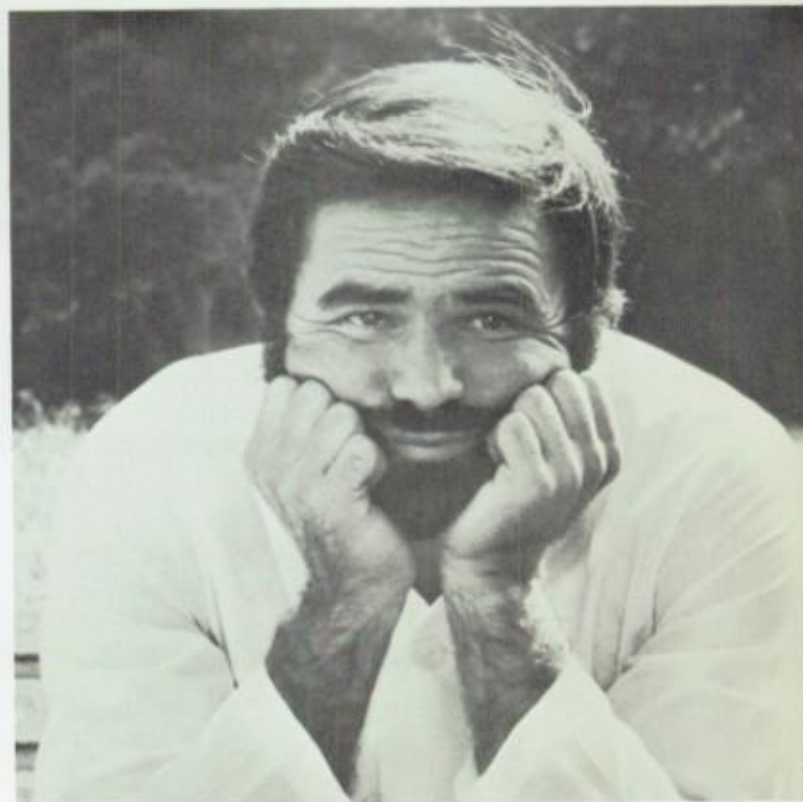

Dancing to the rhythm of the **Bee Gees** at discos like **Sun Devil Lounge** kept students busy on weekends. For those who preferred to stay close to home, the craziness of **Staturday Night Live** was on the TV. Watching guest hosts like **Steve Martin** kept students up until all hours of the night.

Driving down Scottsdale Road, radios were tuned to **KDKB** and **KOPA**. The favorite songs came from the **Beatles**, **Billy Joel** and **Linda Ronstadt**. A quick swing into **McDonalds** gave everyone the Big Mac and fries they needed to keep them going.

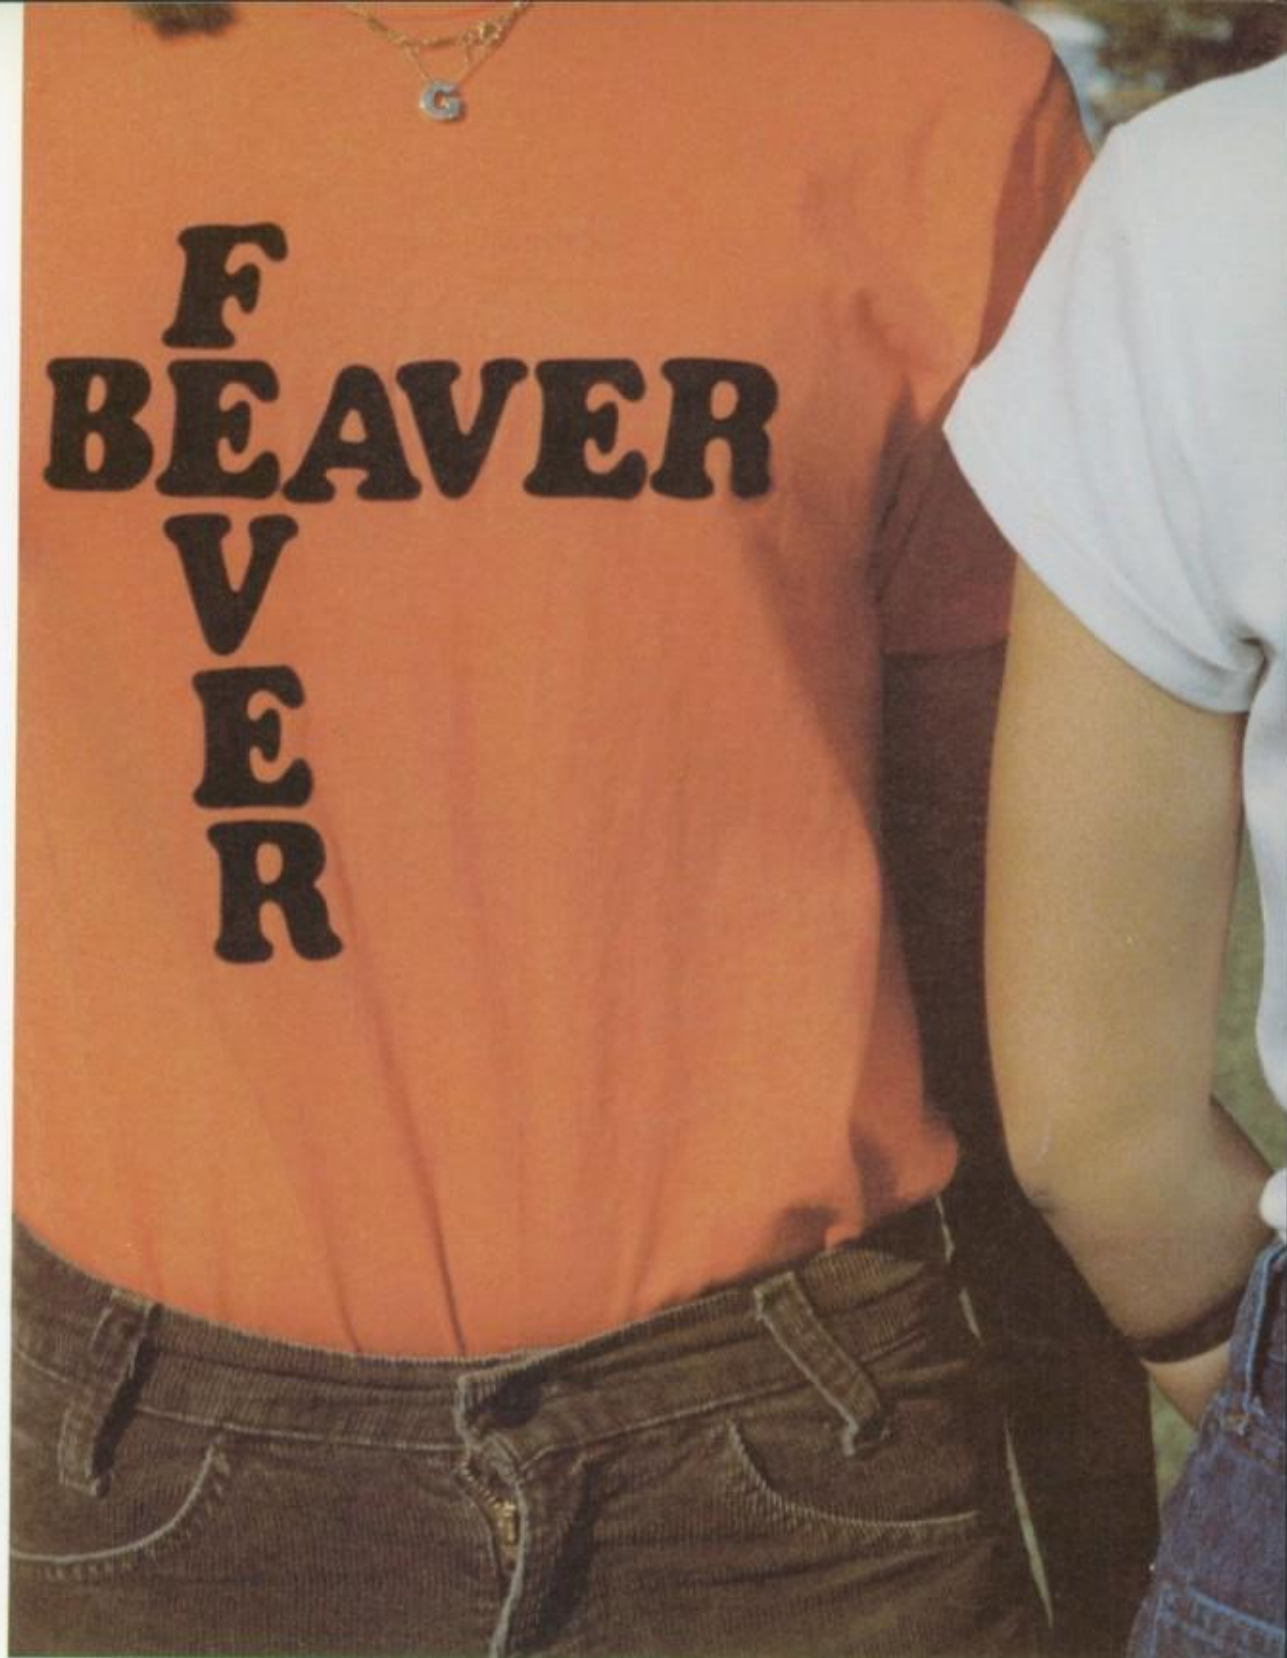

And school? The friendly people and open campus made students happy, while the long lunch lines and stringent attendance policies were not very popular.

Students were not overly preoccupied with the future, although most looked forward to being successful and getting married. Unconcerned as they might seem to be, the worry of economic inflation was in the back of everyone's mind. Some things never change.

On September 28, Yearbook sponsored a Tee-Shirt Day on the Scottsdale High campus. Photographers were sent out to track down and "shoot" those students wearing this article of clothing.

The Yearbook felt that the fashion fad of tee-shirts was representative of this generation. Tee-shirt slogans also convey the theme of "Changes in Attitudes." What the tee-shirts say show our changing attitudes and morals.

National News

New awareness by students stirred greater interest in world events and their effects on the people at SHS.

The Camp David Summit and talks between Egypt and Israel caused students to evaluate their feelings and attitudes on this historic problem.

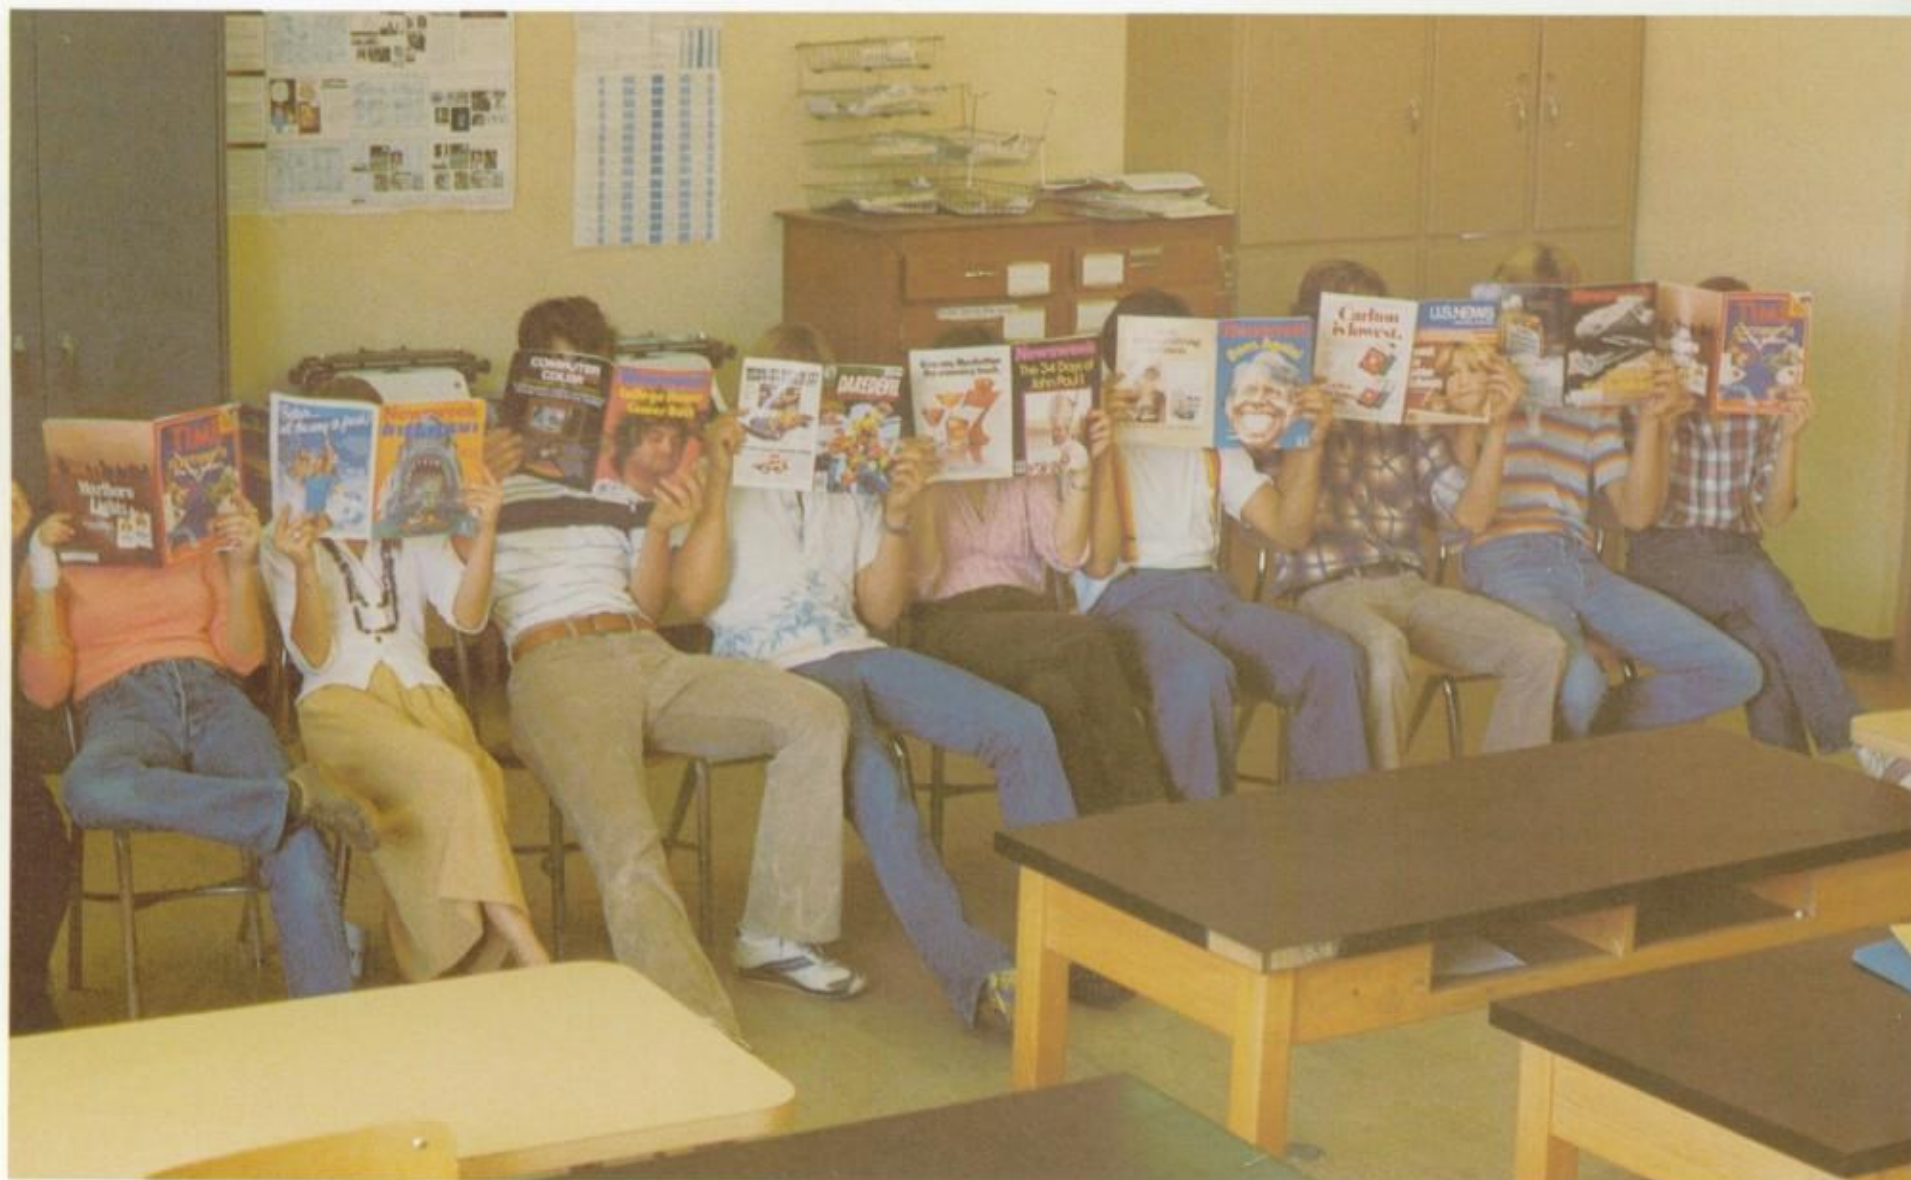

In England the first test-tube baby was born. Was this progress, or yet another step towards impersonal mechanization? In San Diego, the worst plane crash in U.S. history took place, killing many people. Closer to home, an Air Force jet caused fatalities in Tucson.

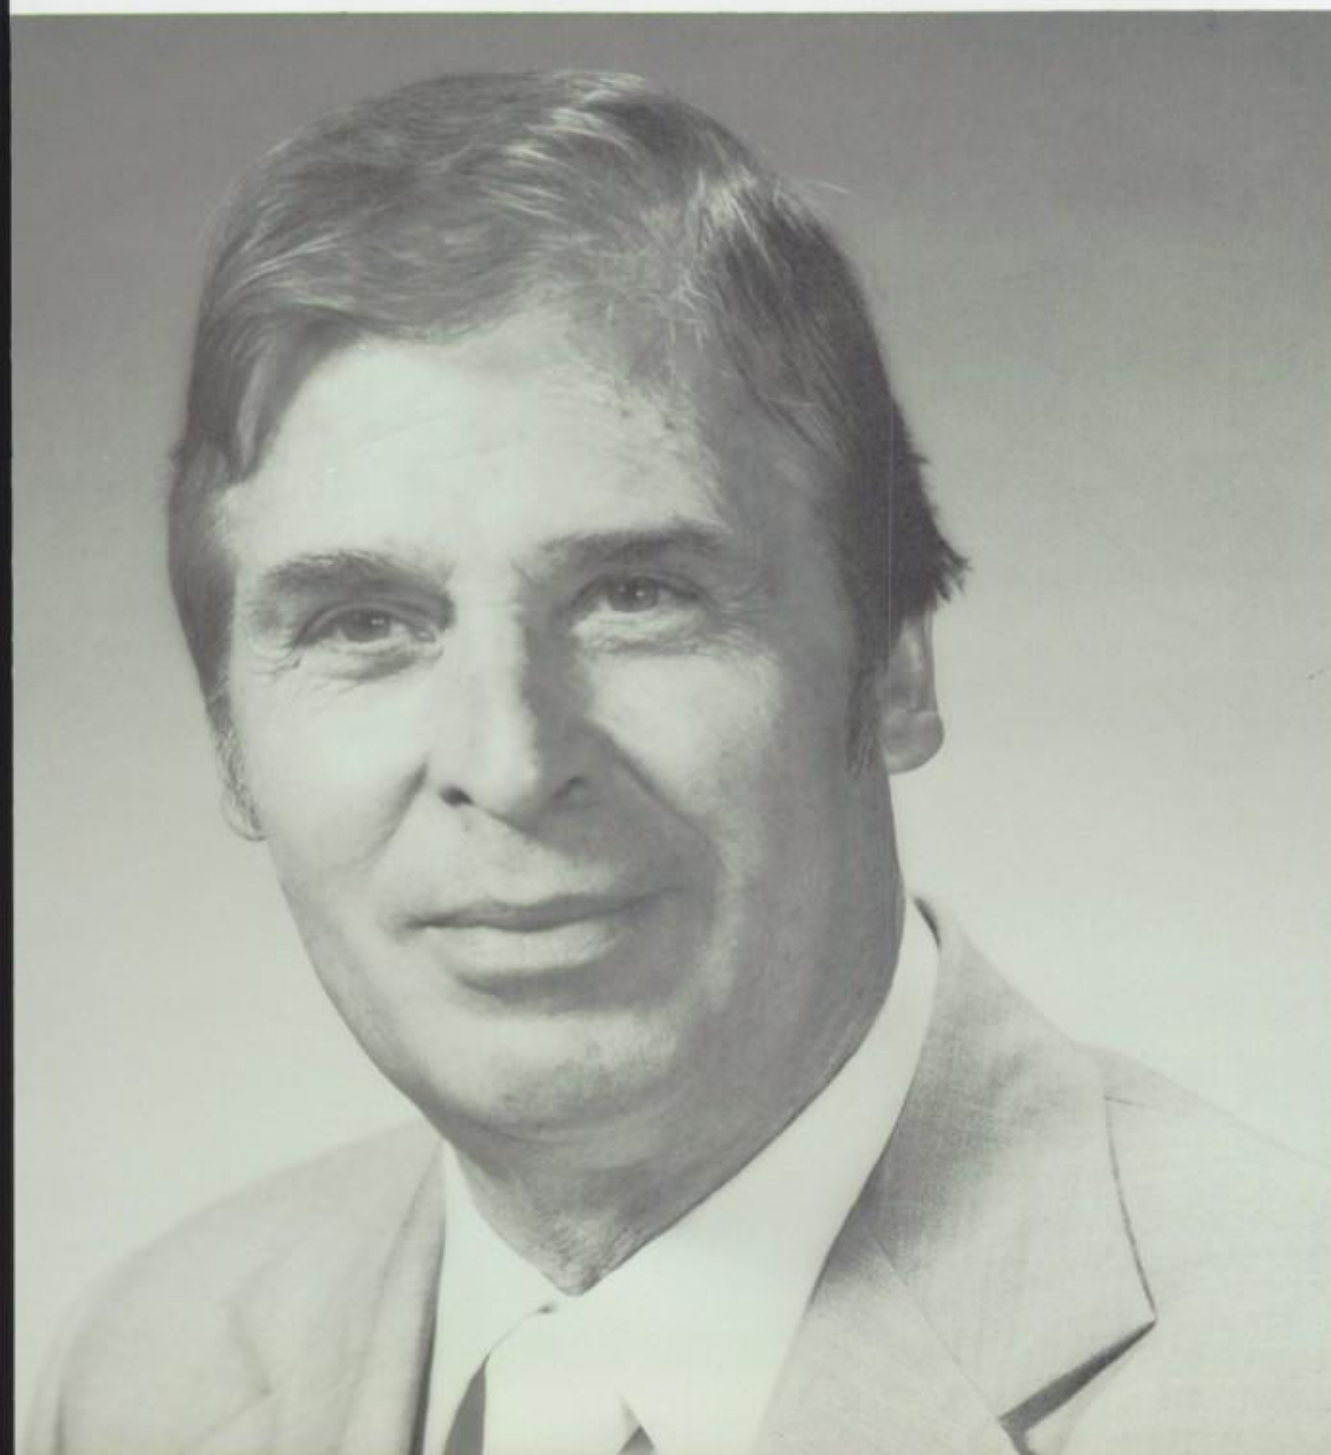

Not only Catholics were affected by the passing of Pope Paul VI. His successor, Pope John Paul, was a great favorite of the populace. Only 34 days after his election, he passed away. The world's first non-Italian pope in hundreds of years replaced him. From Communist Poland came Pope John Paul II.

Keith Moon of the Who was found dead, at 31, of an accidental overdose. This drummer was best known for his ability to destroy hotel rooms and drum sets.

Wedding bells rang for quite a few famous ladies. Jet-setting Princess Caroline of Monaco was married to playboy Frenchman Philippe Junot, some 16 years her senior. Millionairess Christina Onassis tried marriage the Russian way with Sergei Kasejor. Charlie's Angels Kate Jackson and Jaclyn Smith both married, much to the dismay of their many male fans. Kate married Andrew Stevens, while Jaclyn wed Dennis Cole-both fledgling actors.

The Yankees beat the Dodgers to take the World Series, 4-2.

U.S. Representative from
Arizona's fourth district.

State News

1978 was election year in Arizona. Candidates for governor were **Bruce Babbitt**, Gene Lewter, **Ev Mecham** and Jessica Sampson. Incumbent Bruce Babbitt won the race. One issue in the election was that of inflation. In Arizona, inflation rose 11.4% in 1978 alone.

While candidates were busy, the spraying of cotton fields near the Indian reservation caused many health hazards to area residents. And yet another disturbing health problem was Aflatoxin, which contaminated milk during the summer months. Gary Tison and Randy

Greenwalt escaped from the Arizona State Prison, aided by Tison's three sons. After a murdering spree that encompassed several states, the Tison gang was captured. Gary Tison, however, eluded a huge manhunt, but his decomposed body was found weeks later in the desert.

In the schools, enrollment continued to decline as was expected to do so until 1984. As many as seven of the Scottsdale schools were expected to close.

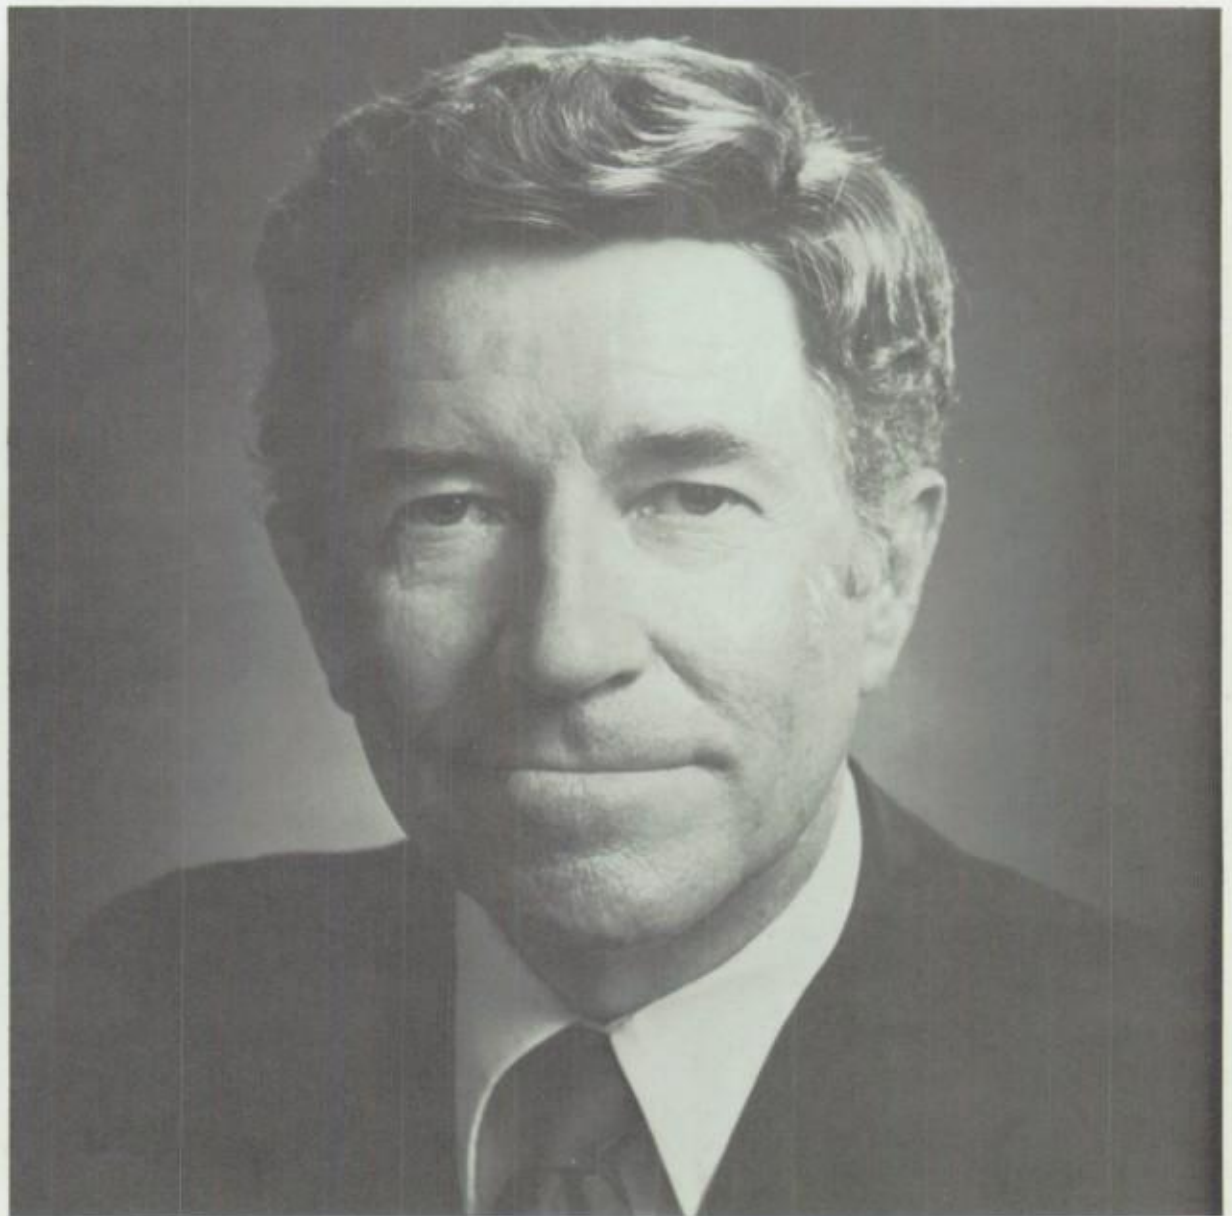

Culture came to Scottsdale in the form of the **Old Globe Theatre Com-**

pany. Many SHS classes attended performances of this Shakespearean troupe at the nearby Scottsdale Center for the Arts.

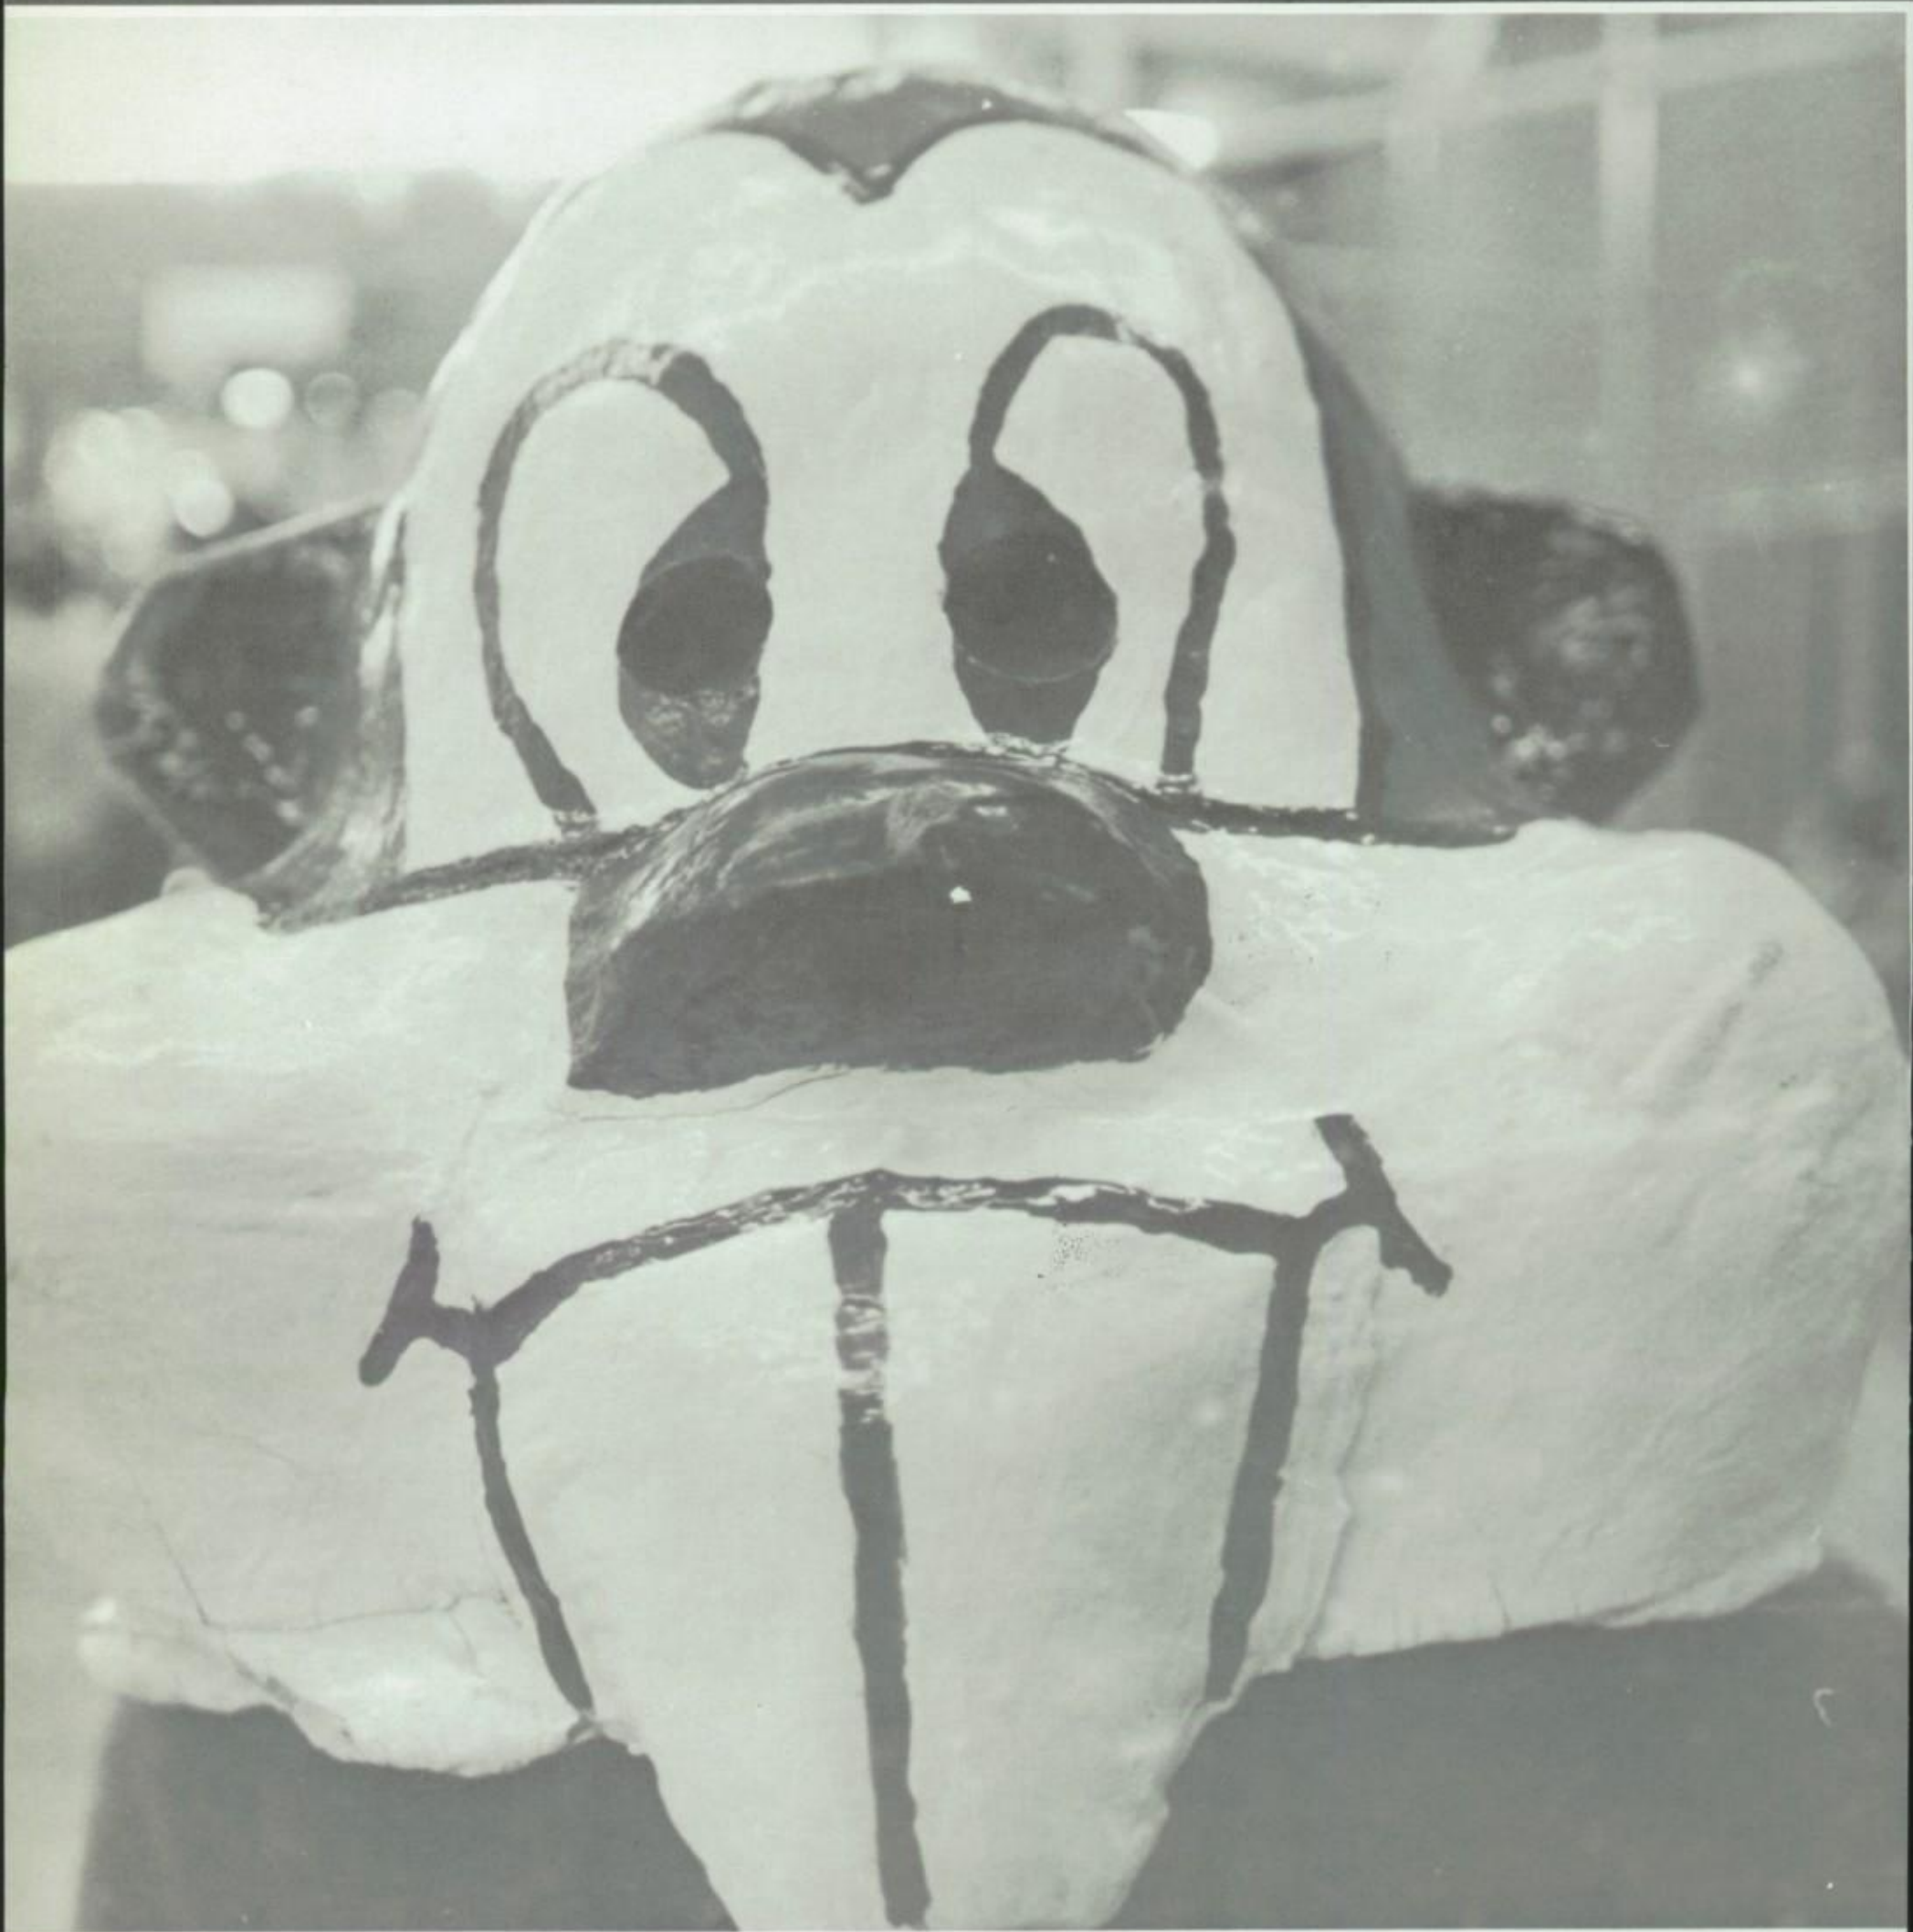

Hogan's Heroes' beloved Bob Crane was found bludgeoned to death in his Scottsdale apartment. Dubious circumstances surrounded the death of this one-time television star who was appearing at the Windmill Dinner Theater. Was it Colonel Klink?

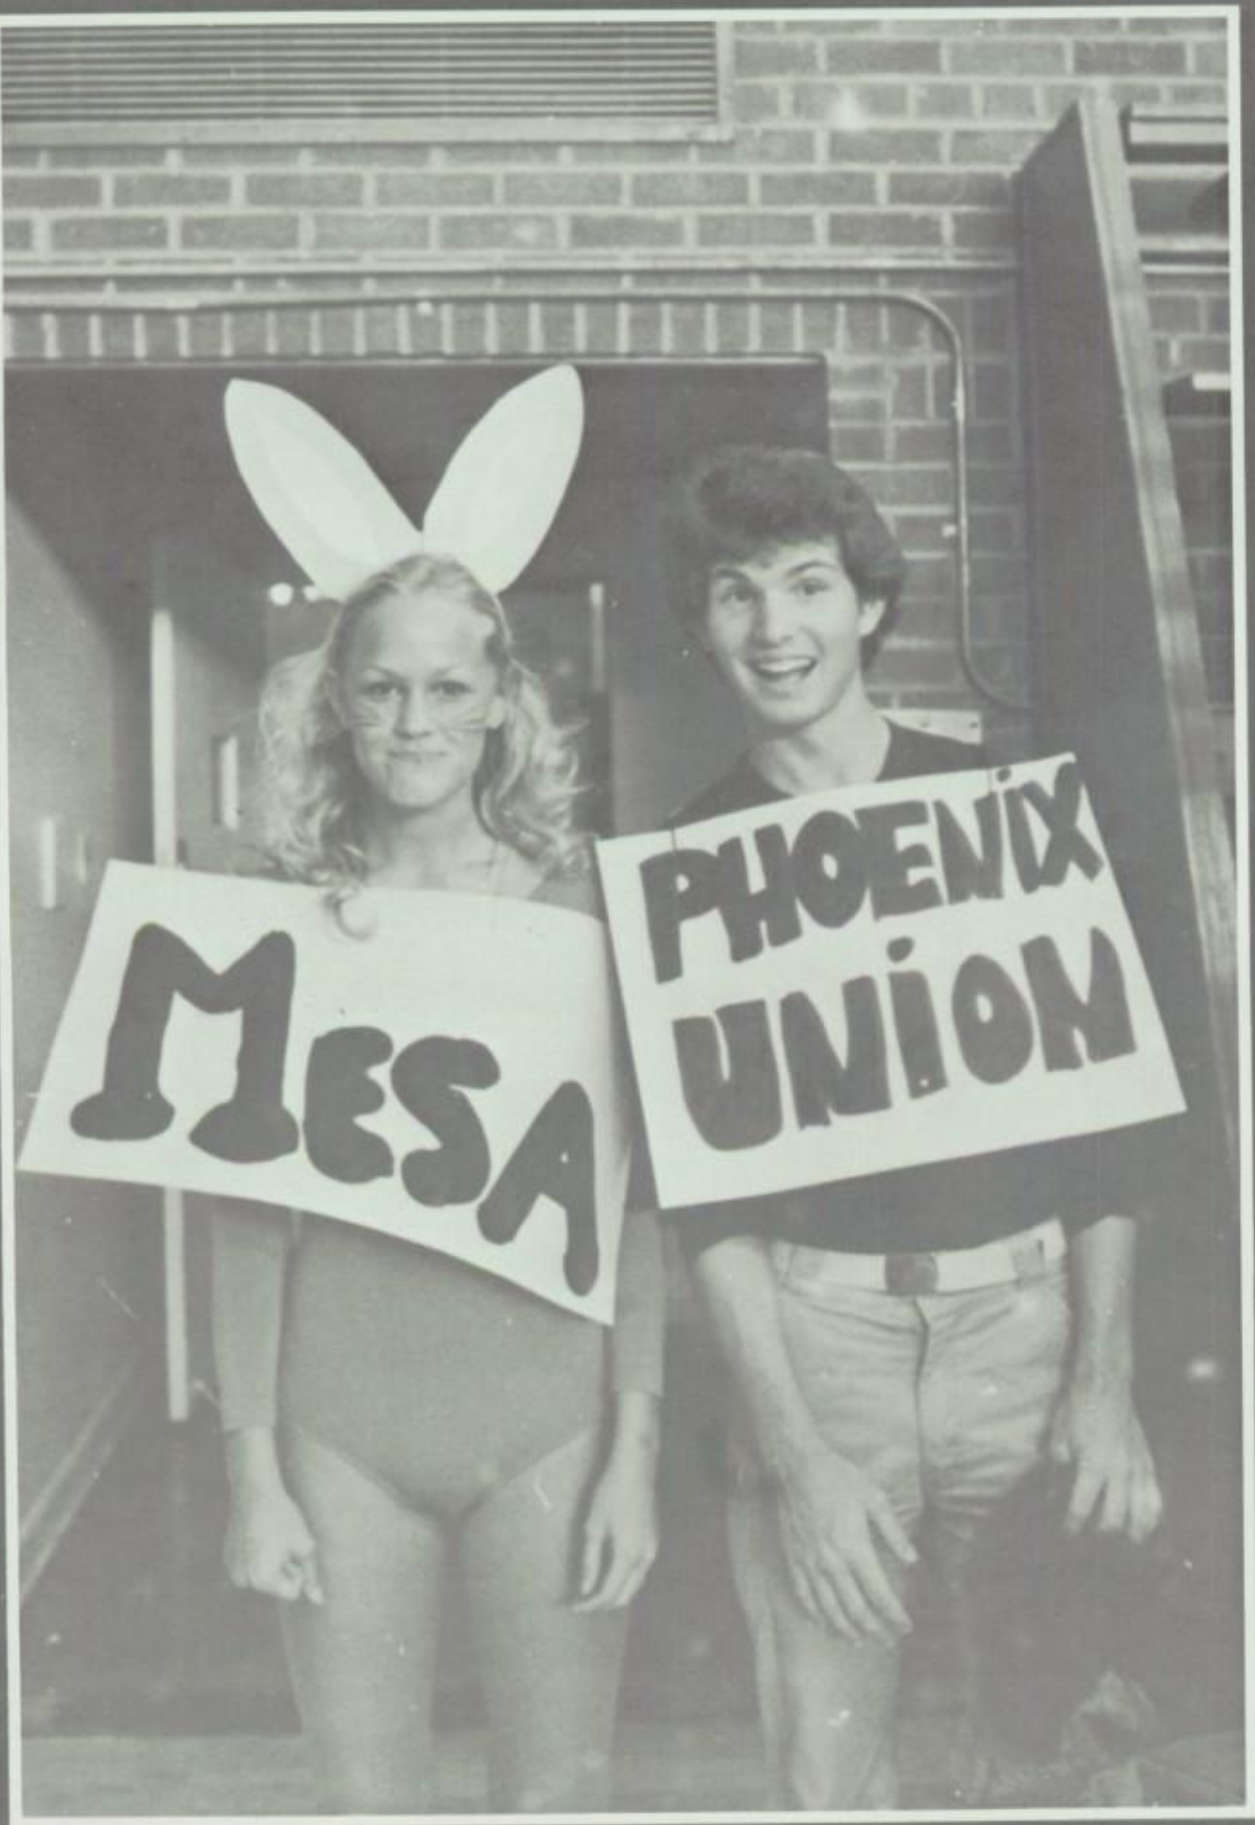

Arizona became a haven for movie makers, as the weather and locale enticed companies to film here.

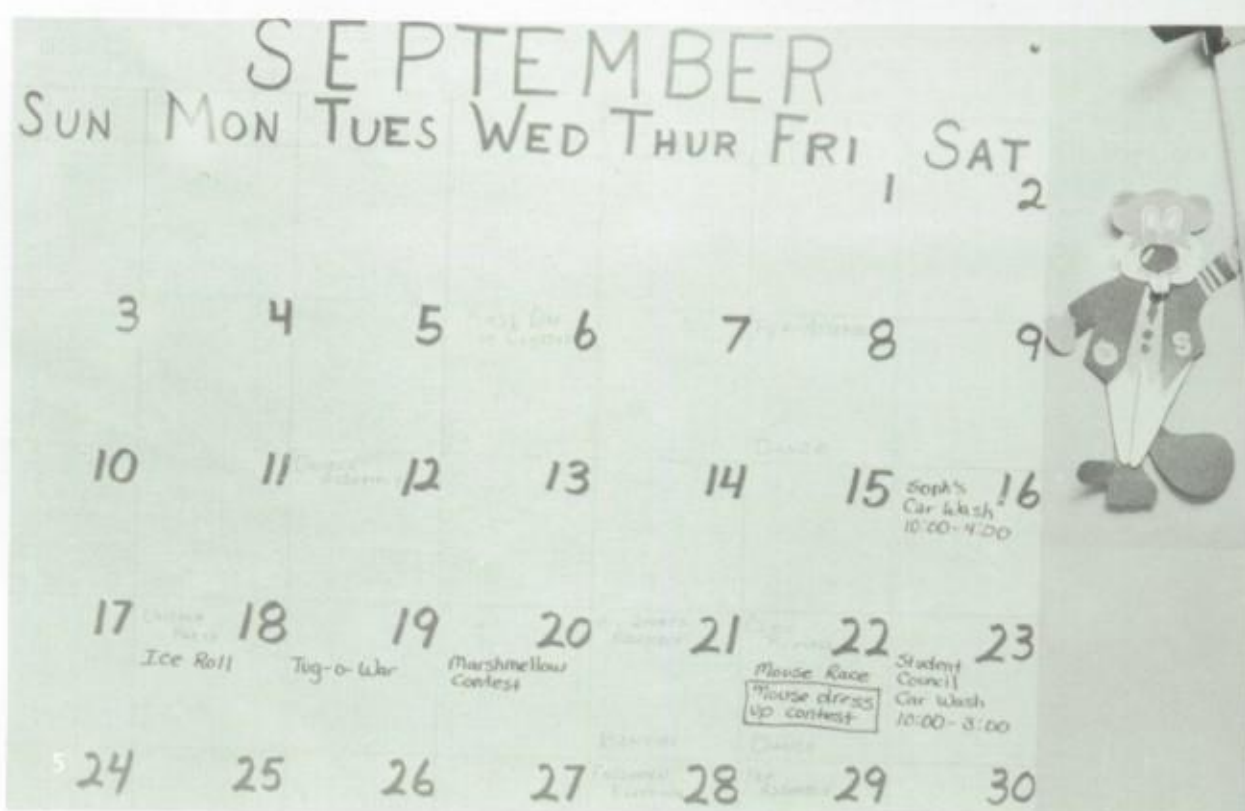

ACTIVITIES

The autumn leaves drift by my window

Summer was over and the fall had begun. Excitement filled the halls as many activities were planned. For the freshmen, the traditional Uncola Party helped orient them to their new school. Arcadia Week triggered enthusiasm that lasted throughout the football season. Varied pep assemblies raised school spirit even higher.

1. Tim Chelgren, Mark Naylor and Joe Meier let their hidden freshmen traits show up at the Uncola Party. 2. A student studies under a tree in Beaver Paradise. 3. Beavers show their spirit in the game against Arcadia. 4. Cheerleaders Lisa Garcia, Callee Palmer and Dolly Rumann Mickey Mouse around at a pep assembly. 5. The opening of the school calendar shows many activities for SHS students. 6. Students involved in class competition during Arcadia Week.

Well, I never been to Spain

Visitors Jimmy Montilla from Puerto Rico, and Georgio Grillo from Chile, added some local flavor to the Spanish Club. Many activities were planned including concession stands at the football games, candy sales, bake sales, picnics and dinners at a number of Mexican restaurants in the valley. The officers were Donna Dell'Aringa, president and Mark Erickson, vice president.

1. Three hot tamales who demonstrate the "SHS Cha Cha Cha" are officers senior Bob Anderson, seniorita Becky Schrier, seniorita Donna Dell'Aringa. 2. **Spanish Club** First Row: Bob Anderson, Stacey Afdem, Leanne Johnston, Dorothy Dell'Aringa. Second Row: Eric Stevenson, Andrea Winters, Becky Schrier. Third Row: Dana Lindeback, Bob Hampton. Standing: Donna Dell'Aringa, President; Mr. Raymond Soltero, Sponsor.

Moving in the right direction

The future Boris Spasskys of SHS actively participated in the Chess Club. They played dual matches and multi-school tournaments with many schools around the Valley. In charge of the club's moves were Scott Zike and Larry Munsil.

1. Exhausted after an afternoon of mating and checkmating, the queen takes time out to rest. 2. Deep in concentration a chess player strategically figures his next move. 3. Taking notes on strategy is a chess club member.

Providing entertainment during pep assemblies and sports half-times with their dances were the SHS pom line. They also decorated the school with colorful spirit builders before the games. At ASU band day, the pom line received a high rating of 1 in state competition. The girls went to National Cheerleaders' Camp where they once again received an excellent rating and were awarded a leadership trophy.

Dancing to the beat of the Band

1. Andrea Rewé, Brenda Schnell, Lori Davies, Allyson Jones join in at the pep rally. 2. Seniors Lori Davies, Allyson Jones, and Suzanne Peterson wait their turn in a roll-off. 3. The intente crowd watches as the pom line dances. 4. Jenny Rogers, Vicki Greer and Sandy Smith dance to "Mickey Mouse." 5. Jan Johnson and Sandy Smith smile big. 6. Scottsdale's band on the run is rated #1

After countless hours of practice, the SHS Band was ready to entertain with their talents at many games and pep assemblies. Along with Color Guard and Pom, they were polished participants in the Parada del Sol. Although they were dropping like flies from heat exhaustion at ASU Band Day, the brave little Beavers went on to receive a superior rating. The drum majors keeping the band in step were Carla Eskelund and Hans Silberschlag.

1. The Band gets into position before a game. 2. The Color Guard performs, surrounded by the Band and Pom line. 3. **Color Guard**-Top Row: Karen Tice, Connie Petrick, Laurie Martin, Jolene Benjamin, Brenda Jerrett, Aileen Adams, Vice President; Barbara Jackson, Kim Jahrmarkt, Becky Schrier, Marla Dyer. Bottom Row: Gretchen Gossen, Drill Sergeant; Brenda Stein, President. 4. Twirling are Lisa Van Paris, Nita Hawes, and Kathy Colton. 5. The Band entertains during a football half-time.

Spending the hours reminiscing

1. Serving as Freshman Prince and Princess are Dom Macchiaroli and Dana Ipsen. 2. Kurt Whiteman checks out the ceremony. 3. Mr. Chuck Swartwout, his daughter Martha, and Keith Wilson laugh at Martha's long list of honors. 4. Becky Clift turns to hug Troy Orr as he is named Homecoming King. 5. Reigning as Princes and Princesses are Sophomores Don Kesteloot and Kippy Nielsen and Juniors Gary Cooper and Lynn Kardos.

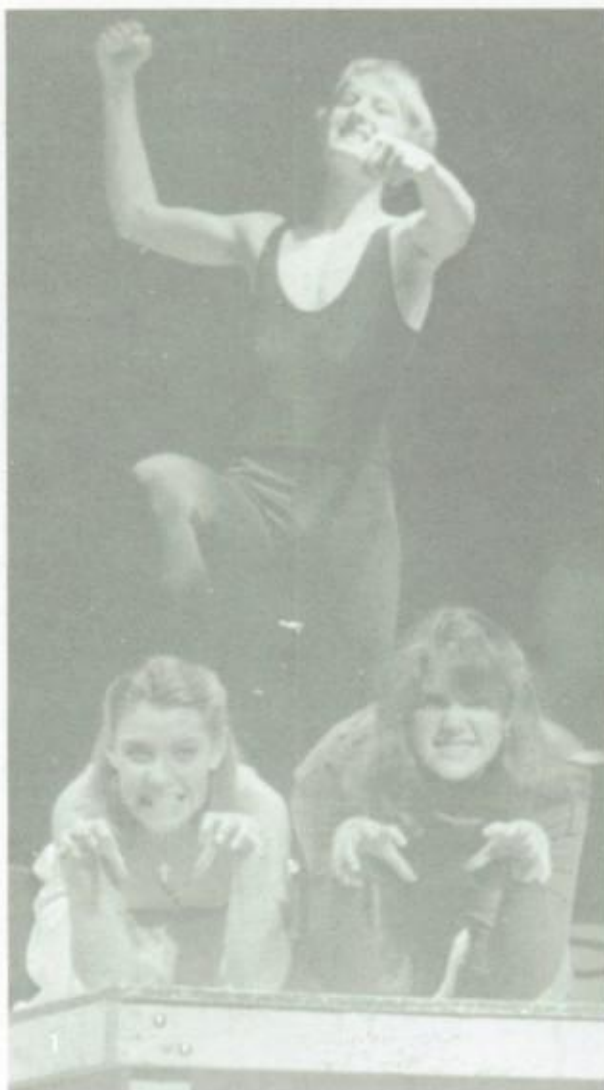

Reigning over the 1978 Homecoming festivities were Ellen Marshall and Troy Orr. Elected by the student body, they were crowned during half-time of the homecoming game. Becky Clift, Martha Swartwout, Kurt Whiteman and Keith Wilson were also nominees. Carrying out the theme of Beaver Fever to win the float contest was the Sophomore Class. The pom line entertained the large audience as they danced to "Make Me Smile," and twirler Cathy Colton held the crowd in suspense as she twirled fire.

Stop the world, I want to get off.

"Stop the World . . ." was one of the many fine arts productions presented at SHS. This slightly controversial play by Anthony Newley featured a small cast—nine chorus and seven lead parts. Rusty Ferracane and Cathy Czagany held the lead roles, with Robin Belhassen Martha Swartwout, Tori Rotundo, Maggie Goldberg and Gretchen Gossen in supporting roles. Students also worked behind the scenes on the sets, lighting and directing.

1. Jack Wiley portrays a Russian conqueror of the tractor team Mary Welty and Karen Laetz. 2. The director of "Stop the World" is Sharon Turner. 3. Crooning to each other are Robin Belhassen and Rusty Ferracane. 4. Siren Tori Rotundo plays her female charms on Mike Bieli. 5. Ahoy, Mates! The Return of Gilligan's Island wasn't the only contact SHS had with boats. Spirited land-lubbers participated in the **Yacht Club**. This club strongly pushed for 100% participation in their many activities. A mountain climbing expedition up Camelback and sailing on the Eldorado Park Pool were planned. General craziness was the motto pushed by three Fleet Admirals. Donning their deck shoes and wind-breakers of leadership were Andy Schwartz, Paul Charlton and Tim McCausland.

1. Yacht Club members generate water for their next cruise. 2. **Yacht Club:** Mr. John Dant, Pam Stehlik, Fleet Admiral Paul Charlton, Donna Dell'Aringa, Figurehead Elizabeth Thalasinis, Lisa Boughner, Ellen Svaco, Rom Carroselli, Synetta Jenkins, Rosa Cays, Jenny Kemp, Fleet Admiral Andy Schwartz, Tod DiTommaso, and Garth Upshaw.

The week of November 20 was Backwards Week. The pep assembly was exciting, with guys taking over the pom and cheer squads. The Junior-/Senior Powder Puff football game ended with the seniors winning 12-0. Student Council sponsored these events and a total of \$327 was raised for the Arizona Leukemia Society.

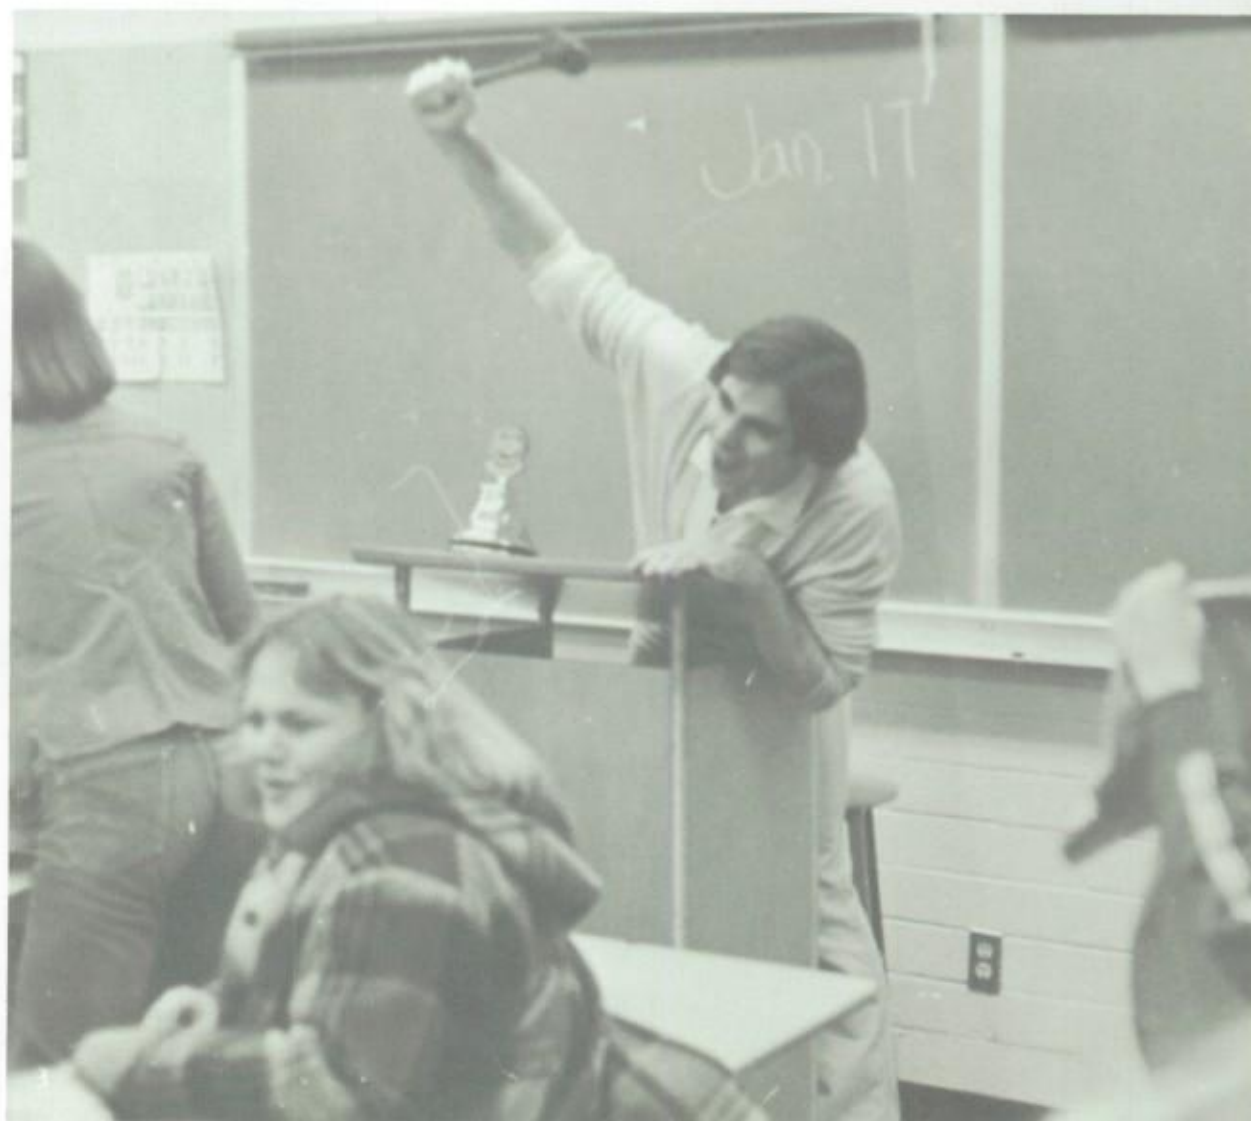

1. SHS Pommies show off their skill as well as their legs. 2. The senior guys seem a little top heavy in their pyramid building. 3. Transvestite Walyn Wallynda Whiteman comes out of the closet—measurements 46-39-44. 4. Coach Cooper gives the juniors a spirit talk. 5. One of the newest and largest clubs on campus was **Junior Civitan**. The affiliate of a national club, its main objective was promoting school and community service. Various fund raisers helped get money for community projects.

This is the day of expanding man

The **National Honor Society's** primary function was to bring the accomplishments of outstanding high school students to the attention of their classmates, their parents, their communities and the colleges they plan to attend. The fundamental virtues most important to the National Honor Society were: character, scholarship, leadership and service. The very purpose of the Honor Society was to recognize and promote these ideals.

Nothing lasts forever but the Earth and Sky

Rainy and cold weather once again plagued SHS students, with flooding similar to that of March '78. Despite the inconveniences, winter activities were emphasized with spirit. Christmas candy canes and carnations were delivered to students by various clubs, while Santa Claus once again returned to visit students.

Freshman cheerleaders were a new innovation in the spirit building department. Joining the traditional Varsity and JV squads, they participated in pep assemblies and made colorful signs to publicize various sports events. The players especially appreciated the attention of the cheerleaders—on game days they supplied the teams with cookies and candy. Another new innovation was the SHS Tumblers. They performed gymnastic routines and helped spice up the pep assemblies and games.

SHS graduate Mark Marusich and Paul Uren assisted Mr. Stanley in directing the group.

Are the stars out tonight?

"Shoot for the Stars" was the theme for the twentieth **Courts ceremony at Scottsdale High**. This tradition was presented as the half-time activity for the Mountain View basketball game. I read the news today

Although in recent years participation in extra-curricular activities had been lagging, this year's BEAVER staff was larger than ever. With no class hour to work in, students used their own time to report and write up stories. Some students also took and developed their own pictures. This kind of experience was useful in becoming involved with school and community affairs and projects.

1. Editor Paul Charlton discusses a layout with advisor Lee Ludwig. 2. Flashing a peace sign is Len Munsil, the anti-war writer for the BEAVER. 3. Tom Zurick, Eric Stevenson and Steve Crompton look over the finished product. 4. Proofreading Roxanne Stragier's arti-

Don't let me down

Keep on dancing

Although the **Orchesis Dance Company** faced declining participation in '78-'79, those with an interest in dance found it to be an excellent outlet for their talents. Under the sponsorship of Norma Barer, this group performed in school dance concerts, as well as providing leadership in the regular dance classes.

Principals—fair, firm, responsible

Being fair, firm and responsible was the chief objective of Principal Evelyn Caskey in the 1978-79 school year. The fact that she loved kids was always evident in her dealings with students, from pep assemblies to one-to-one discussions.

Because of SHS's declining enrollment, less money came into the school. The number of teachers was decreased, a problem that worried Mrs. Caskey. Seeing that students got classes they wanted was a top priority.

The new attendance policy of only ten absences per semester was not greeted enthusiastically by students. But Mrs. Caskey was all for it, and maintained the net result would be better education. Despite minor inconveniences caused by it, Mrs. Caskey thought the remodeling of various parts of the school was great and would definitely benefit the student body and teachers.

Advanced training in drama and characterization was offered in the Drama classes. Stagecraft focused on the theatre arts, while Dance taught many jazz and modern techniques.

Team and individual competition in various sports was included in the Physical Education curriculum. Bowling, tennis, volleyball and golf were some of the activities students were acquainted with. For those interested in pumping iron, weightlifting was offered.

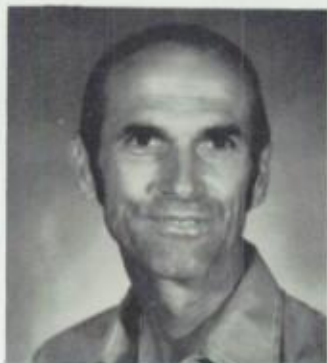

Driver's Education provided simulators and movies to try to prepare students for safe driving—and perhaps reduce SHS parking lot accidents.

Science courses forced students to exercise a knowledge of science and to attack problems logically. An insight into the ways scientists work was stressed. The function of IPS was to give students a base for other studies. Geology provided a basic understanding of the planet, while Astronomy helped students develop an awareness of the outer environment. More traditional classes such as Chemistry and Physics were also offered. For those with adventure in their souls, Aviation Science provided a real challenge.

The Cross Country team had many new aspects to it during the '78-'79 season. This was the first year that the girls formed a team and the guys and girls ran all their meets together. Sandra Pollock and Alisa Schaeffer were outstanding for the girls, while John White was outstanding for the guys. The coaches felt tht every member of the team was a valuable asset.

The coaches, Frank and Suzanne Armstrong were also new to the team. The couple, who are married, have been running competitively for a total of 7½ years. Both qualified for the Boston Marathon later this year.

All but two team members will be returning next year. The coaches felt the team showed much promise for the seasons ahead.

The girls softball team, as in past years, again proved to be very successful. Their regular season record was 13-3-1. They were beaten by Chandler twice, after four of the teams starting players were impaired in an auto accident. Their only other loss was to Coronado after the Beavers had played them to a tie. This left the team in third place going into divisionals. Scottsdale came back to beat both Chandler and Coronado and walked away with the **Central League championship**. This was the first year ever that Scottsdale's varsity softball team was under a new coach. Tracy Lewis, previously an assistant coach for boys basketball, took over for retired Herman Schweikart. The team began state competition on February 8.

The Beavers Varsity Basketball Team had a very successful year. They held a 8-5 overall for the best record in the city. They were fourth in the B league with a 3-2 mark and nine games remaining. Dave Schultz averaged nearly 30 points a game and was the top scorer in the state for the season.

Don Wagner coached his first year for the girls' swimming team. The season record jumped from 1-6 in '77 to 4-2 in '78.

Underclassmen were the stars, including Freshman Mary Bergeson and Sophomore Karen George. These two each broke two school records. Junior Lisa Nelson broke the school record for points in diving. The relay team of Lisa Maxey, Jodi Hering, Mary Bergeson and Karen George also set a new school mark. With promising underclass competitors, the girls and coach looked forward to even more successful years in the future.

Over my head sure feels nice

1978 was the first winning season for the boys' swim team, and Coach Don Wagner was confident that '79 would be another good year. With only nine swimmers on the team, he was still hopeful of sending some to state competition. The boys practiced diligently every day, swimming up to 7200 yards a session. This was equivalent to running twenty miles. The philosophy behind the team was simple, "It builds character through discipline and through association with other people. They learn how to win with grace and accept defeat with dignity."
